

Parent Pathways of NEPA is a multi-sector collaborative fighting poverty two generations at a time. This holistic approach to removing barriers for parents so they can advance their education includes partners from higher education, social and community services, and youth development.

**01.— Our Mission**

Parent Pathways of Northeastern Pennsylvania guides parents out of poverty through access to higher education and family sustaining professional careers. Families are empowered to learn, thrive, and succeed; two generations at a time.

**02.— Our Vision**

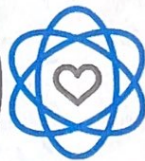

Parent Pathways of Northeastern Pennsylvania's vision is to advance socio-economic mobility for families through student parent success.

**03.— Values Statement**

Parent Pathways of Northeastern Pennsylvania drives equitable access to higher education for student parents in a collaborative place, where empathy and empowerment meet.

- Compassionate Responders
- Holistic Access
- Person-Centered Strategies

Parents must reside in one of the following Pennsylvania counties:

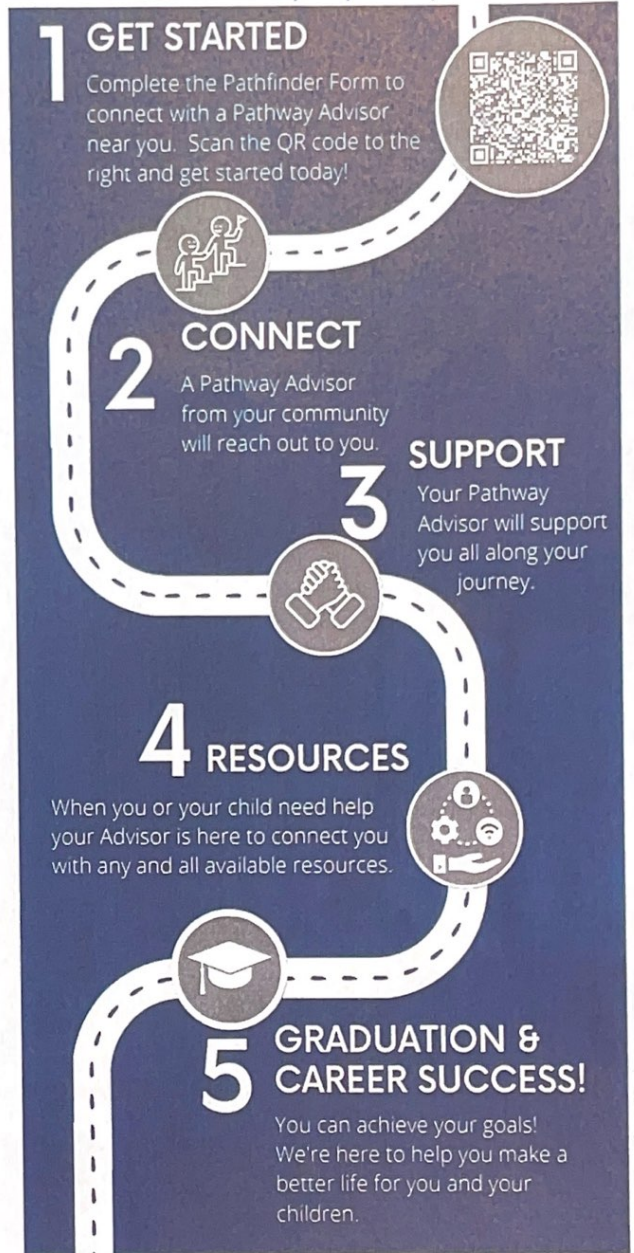

- Lackawanna County
- Luzerne County
- Susquehanna County
- Wayne County
- Wyoming County
