Threat Assessment Team Notification

In 2019, the Pennsylvania General Assembly passed [Act 18 of 2019](#), which amended Pennsylvania's Public School Code by adding [Article XIII-E, Threat Assessment](#). One of the provisions of this article requires that school entities establish a Threat Assessment Team (TAT).

CTCLC's TAT consists of our School Safety and Security Coordinator as well as individuals with expertise in school health, counseling, administration, and special education. Some members from CTC's SAP team and Safe2Say Something Crisis Team are also members.

Both students and staff are trained annually on information pertaining to the TAT including how to make anonymous tips through the Safe2Say app and anonymous referrals through our SAP Referral Process. More information about CTCLC's TAT can be found under the Joint Operating Committee tab under Joint Operating Committee.
